Dick Joynt was born in Dublin in 1938. He travelled widely in the U.S.A., in Canada and in Mexico. Since 1982 he has lived in Fontstown, near Athy, in County Kildare.

A versatile sculptor in stone, in wood and in bronze, he has exhibited in one man shows and group exhibitions all over the country. He has won many awards and some important commissions, the most recent being a 13' sculpture in Tallaght, Co. Dublin.

He is also a fine painter. The present exhibition gives the Eigse Carlow public an opportunity to see the range of the accomplishment of this prolific artist.
